United States District Judge

Honorable Judge McBryde

I am writing because I am unaware of what's going on in regards to my status of appointed counsel etc. I signed whatever necessary forms were needed to release Mr. Burns from being my attorney as he has pretty much failed in doing so himself the entire time he was assigned to my case but now there has been an addendum done to my psi and objections that I feel need to be filed in regards to such. Therefore I need to know who my attorney is... what's going on with my court date... how long I have to file said objections. Also if there is anything that can be done about previous objections that I wanted filed etc. that my counsel Mr. Burns refused to address. All I'm asking your honor is for an attorney who is willing to do his job. Darryl Burns logs his visits w/ me but he shows up here with absolutely

no paperwork, no information, no updates,
no nothing he literally comes
up here and says nothing
just that I should be happy
w/ the status of things and
refuses to put an effort into
anything. the yard keeps a log
of attorney visits and the
property they bring in. The only
time he ever does anything
is after I write you and you
send my letters to him then
he'll file an objection but not the
one I request, then he'll
file a downward departure
but do the bare minimum of work
on it. It's just exhausting your
honor and I'm SORRY that I
have to bother you with it
all. It's not right and I'm sure
you have other things you could
be doing w/ your time. So sincerely
I truly apologize but please help
me get fair representation
asap.

Respectfully
Angel Norris
